Children in Need 2026

Dear Parents/Guardians,

As I am sure you are aware, **Friday 13th November** is Children in Need day.

We would like to ask children for a donation of **£1 for each family** which will be sent towards this good cause. The donation should be brought to school on Friday 13th November and given to the class teacher.

We are inviting pupils (and staff) to wear their spots for this year's 'SPOTacular' event. Please don't worry about buying something especially for the day, stick some paper circles on to a T-Shirt or some stickers, or draw spots on to an old top with a pen!

Be creative and have fun- that's what the day is about.

About BBC Children in Need

BBC Children in Need's vision is that every child in the UK has a safe, happy and secure childhood and the chance to reach their potential. The charity realise this vision by supporting, promoting and publicising work that addresses the challenges that children and young people face and work that builds their skills and resilience.

BBC Children in Need raise funds to make sure we can be there for children and young people by funding thousands of local charities and projects. The SPOTacular annual appeal in November inspires our communities across the UK to come together, raise funds and show support. The appeal wouldn't be complete without a big night of television on the BBC, featuring famous faces, SPOTacular programmes, and reports from children and young people whose lives have been changed thanks to your support.

For more information about the charity please visit the link https://www.bbcchildreninneed.co.uk/
